Class 01

Sparkling white, red, or Rosé wine

Judges: Brendan Carr, Tim Pelquest-Hunt, Camille Bru, Tarun Victor-Gordon, Irene Wong

Comments: Strong bracket. The best wines had a defined traditional method thumbprint of autolytic complexity but also showing smart vinification of refined and subtle base wines and judicious dosage at disgorgement. Well done! Viva la fizz!

Chardonnay 2026 and 2025

Judges: Steve Baraglia, Brendan Carr, Kate Goodman, Matt Buchan, Camille Bru, Courtney Treacher, Matt Godfrey, Livia Maiorana, Tim Pelquest-Hunt, Charlotte Newton, Mick Stanton, Tarun Victor-Gordon, Irene Wong, Cyndal Petty, Mike Webster

Comments: An amazing class to judge, well-handled fruit and excellent winemaking resulted in strong gold and silvers awarded. Chardonnay does excel in WA well done. Some wines were a too full and simple for higher awards. The best wines used sulphites, oak, and phenolics well, but most importantly, they had fruit power. What a variety; when made well, it delivers the goods. Purity and power, complexity, and a delicious drinking experience. A joy. Thank you. Lesser wines were overworked or simply lacked intensity.

Class 07

Chardonnay 2024 and older

Judges: Brendan Carr, Livia Maiorana, Camille Bru, Tarun Victor-Gordon, Irene Wong

Comments: Lovely bracket, an early season has not curtailed the high quality of Chardonnay from V24 despite some negative noise around this vintage. Likewise, strong showings from V23 will hopefully encourage producers to enter some ""older"" examples, which is actually when these wines are in their prime (stock considerations acknowledged here).

Single white varieties not eligible for classes 2-8

Judges: Kate Goodman, Livia Maiorana, Tim Pelquest-Hunt, Cyndal Petty, Mike Webster

Comments: The fruit bowl of WA rises. Many "other whites" show potential varietal character and flavoursome wines. A number of wines within the class were simply vinous and plain. The top wines provoked conversation and provided much to be optimistic about.

Blends of Sauvignon Blanc and Semillon 2026

Judges: Brendan Carr, Courtney Treacher, Matt Godfrey, Tarun Victor-Gordon, Irene Wong

Comments: A diversity of styles rewarded. Some pure / crisp varietal expressions along with a fuller, "fume" style were enjoyed the most. The aromatic varieties walked a fine line between overripe fruit characters and underdone wines lacking substance. Best wines straddled the line well.

Rosé

Judges: Steve Baraglia, Brendan Carr, Kate Goodman, Livia Maiorana, Matt Godfrey, Tim Pelquest-Hunt, Camille Bru, Matt Buchan, Courtney Treacher, Charlotte Newton, Mick Stanton, Tarun Victor-Gordon, Irene Wong, Cyndal Petty, Mike Webster

Comments: Rose, the wines of spring and summer. The top wines showed purposeful winemaking. Flavour, flavour, flavour: balance and interest. Many wines lacked flavour and purpose. The best wines walked the fine line of flavour, phenolics, and savoury notes with balance and delight. Some wines fell off the tightrope with greener notes, rubbery reduction and perhaps over-zealous sugar use. SO2 rates another thing to be careful with in these early drinking styles to market, with some wines looking closed / clipped by sulphur. Top wines showed prettiness and delicate handling of fruit from a strong 2026 vintage. Some fermentation and balance issues in non-medal-winning wines.

Grenache

Judges: Brendan Carr, Tim Pelquest-Hunt, Camille Bru, Tarun Victor-Gordon, Irene Wong

Comments: Nice dichotomy of styles across the board here, but the styles with bright red fruit, spice, reduction, and fine tannins are the most rewarded Grenache styles. The best show style that is matched by substance.

Malbec

Judges: Brendan Carr, Tim Pelquest-Hunt, Camille Bru, Tarun Victor-Gordon, Irene Wong

Comments: Some great wines in the mix. Dealing with greener / reductive characters always a challenge with Malbec and on the whole dealt with well here. Great to see signature blue fruits, pepper and fleshy tannins in the best wines here. Good use of oak too. . . best wines also had more resolved acid / tannin balance.

Tempranillo

Judges: Kate Goodman, Matt Buchan, Courtney Treacher, Cyndal Petty, Mike Webster

Comments: A challenging bracket to taste. Too many wines had excessive astringent tannin that overwhelmed the fruit. Some wines were pushed too far in ripeness. Better wines had varietal character and balance with supporting tannins. Considered winemaking has been rewarded.

Shiraz 2024

Judges: Kate Goodman, Matt Buchan, Courtney Treacher, Cyndal Petty, Mike Webster

Comments: Some great wines from a challenging agricultural season. As usual, the top wines have everything in check. In these tougher years, oak handling needs to be more considered. Overall, the winemaking was clean and made the most of the season. Intensity and balance are key

Judges: Steve Baraglia, Brendan Carr, Kate Goodman, Matt Buchan, Camille Bru, Courtney Treacher, Matt Godfrey, Livia Maiorana, Tim Pelquest-Hunt, Charlotte Newton, Mick Stanton, Tarun Victor-Gordon, Irene Wong, Cyndal Petty, Mike Webster

Comments: A line of wines reflecting a challenging season. Many wines exhibited under/ over ripe tannin and flavours combined with dilution leading to imbalance. The top wines showed intensity of flavour and varietal character. Great wines that showed excellent freshness despite an earlier season. Early season doesn't always mean a hot/overblown year in terms of fruit ripeness, and 2024 is a testament to this. Acid balance is something to watch for to ensure the acid & tannin combination isn't papery or tart. A pleasure to judge, top wines show well-handled fruit and oak. A lot of call backs from a strong class. This showed the winemakers' experience and WA's ability to produce high-quality Cabernet Sauvignon. Some wines had issues with harvest timing and freshness. COJ: The callbacks (Best Of) included four outstanding wines, and each producer should feel immense pride in these wines. The competition was tough. Very impressed indeed.

Judges: Steve Baraglia, Brendan Carr, Kate Goodman, Livia Maiorana, Matt Godfrey, Tim Pelquest-Hunt, Camille Bru, Matt Buchan, Courtney Treacher, Charlotte Newton, Mick Stanton, Tarun Victor-Gordon, Irene Wong, Cyndal Petty, Mike Webster

Comments: A couple of great blends that show how varietal puzzles can fit together seamlessly. Some great examples stood out from the rest. The best wines had a combination of varietal dark fruits, licorice and ripe Mediterranean herbs with smart oak use, which were the ultimate example of the whole being greater than the sum of its parts.

The Swan Valley is Western Australia's oldest wine region and the second-oldest in Australia.

The Valley's Mediterranean climate allows winemakers to grow and produce a remarkable range of wine styles, from sparkling to fortified. Very few wine regions can achieve this level of diversity.

Chenin Blanc is the Swan Valley's most widely planted white grape variety. Each year the region crushes around a third of Australia's Chenin Blanc.
